PRIMARY EMPLOYMENT

6/90 - Present
(full-time: 1997)

Private Practice
Brielle Hills Professional Park
2640 State Highway 70
Building 7A, Suite 202
Manasquan, New Jersey 08736-2609

General psychology practice in private office setting, servicing adult population. Special interests include adjustment and rehabilitation issues from chronic illness and physical disabilities; addictive behaviors (alcohol and other drugs); crisis intervention/trauma and disaster work; police psychology, post traumatic stress disorder; pain management; forensic psychology evaluations for several licensing boards, the Intoxicated Driver Resource Center, and Court appointed expert for trauma and substance abuse evaluations.

6/91 - 12/97

Director, Department of Rehabilitation Psychology
**Affiliated with John F. Kennedy Medical Center/
Johnson Rehabilitation Institute/New Jersey Neuroscience Institute**
65 James Street
Edison, New Jersey 08818-3059

Responsibilities included: recommend policy and procedures for the department; establish goals and coordinate treatment with an interdisciplinary team; provide care and supervision to the inpatient rehabilitation unit, day hospital patients, outpatient department, chronic pain management program, the biofeedback unit, liaison service to the acute care units in the general medical center, The Neuroscience Institute, the work hardening program and the haven and hospice programs; monitor productivity and adherence to regulatory requirements; provide staff supervision for individual and group therapy; perform quality assurance and improvement reviews; conduct individual psychotherapy, psychological testing and consultations on patients with various diagnoses, including substance use disorders, stroke, closed head injury, orthopedic spinal cord injury, a neurological disorder, any of which may result from trauma or chronic illness; attend case conferences and family conferences; coordinate budget with department needs; develop and participate in research projects; act as liaison with all other departments

in medical center; supervise internship program for doctoral level students; and on call for emergencies.

8/90 – 6/91

Rehabilitation Psychologist
Johnson Rehabilitation Institute
Affiliated with John F. Kennedy Medical Center
Rehabilitation Psychology Department
65 James Street
Edison, New Jersey 08818-3059

Responsible for evaluation; diagnosis; cognitive, emotional and psychological assessments of inpatients and outpatients with stroke, closed head injury, orthopedic, spinal cord injury, or a neurological disorder; provide individual, family therapy and group therapy, staff consultation, and assist the treatment team with developing individual treatment plans. Also conduct evaluations and treatment for rehabilitation inpatients and outpatients regarding alcohol and/or other chemical abuse disorders.

1/81 – 8/90

Director of Clinical Services
The Mount Sinai Hospital and Medical Center
Ambulatory Care Department
Narcotics Rehabilitation Center
One Gustave L. Levy Place
New York, New York 10029-6574

Responsibilities included: recommended on policy; contributed to planning and goal setting for an outpatient clinic treating approximately 700 patients and providing care for about 150,000 patient visits per year; recommended and participated in new projects, grants and research; assessed, coordinated and finalized clinical priorities; attended senior staff meetings; Psychiatric Grand Rounds, chaired general staff meetings, determined parameters for decision making at clinical team meetings; acted as liaison with inpatient and OPD clinics regarding consults, screening, referrals, treatment plans and follow-up; represented program as directed; assessed patient needs and designed and implemented response procedures; monitored accountability and adherence to regulatory requirements; developed protocols for determining dosage levels and detoxification approvals; head of Crisis Team and defined emergency (clinical) procedures; on call for emergencies; managed and supervised senior clinical staff; coordinated budget requests for clinical division; defined job specifics for clinical department heads; implemented personnel procedures; trained department heads in management/supervision skills; designed training for systems implementation; and conducted therapy and psychological screening and testing for selected, referred patients.

9/79 – 12/80

**Coordinator of Clinical Services
The Mount Sinai Hospital and Medical Center
Methadone Maintenance and Aftercare Treatment Program
One Gustave L. Levy Place
New York, New York 10029**

Coordinated and supervised the implementation of all clinical services, including consistency in utilization of all regulations and policies of the clinic; administrative responsibilities over all departments servicing the clinic; supervised all department heads and was involved with personnel issues of both professional and paraprofessional staff; on 24-hour call for any clinic or patient problems; provided consultation services for any inpatient in the medical center.

7/77 – 6/80

Also assisted principal investigator in coordination of the therapeutic services for a three-year NIDA-funded project investigating diagnosis, prevention and treatment of alcoholism within an outpatient methadone maintained population; responsible for collecting pertinent data for the study, consisting of psychological, medical and social data; administered and interpreted psychological test data; coordinated in-service alcoholism education; as member of planning committee, set and implemented goals and procedures, modified protocols, and co-authored research articles. In addition, continued to be responsible for the functions of coordinator of clinical services.

12/74 – 9/79

**Clinic Coordinator
The Mount Sinai Hospital and Medical Center
Methadone Maintenance and Aftercare Treatment Program
One Gustave L. Levy Place
New York, New York 10029**

Acted as direct liaison to executive director and medical director. Role included integration of all clinical services directed towards effecting maximum patient care; arranged all schedules concerning clinical coverage; responsible for clinical status of all 550 patients; responsible for supervision of main clinical functioning of program components: admission, maintenance, detoxification, aftercare, health and medical care and crisis intervention; conducted regular clinical meetings with all teams; responsible for caseload as primary therapist; administration and interpretation of psychological tests; developed innovative approaches to providing better services to clinic members; development and coordination of basic research projects.

9/71 – 11/74

**Supervisor, Department of Rehabilitation Counseling
The Mount Sinai Hospital and Medical Center
Methadone Maintenance and Aftercare Treatment Program
One Gustave L. Levy Place
New York, New York 10029**

Individual, group and family therapy; administration and interpretation of unstructured psychological tests; intellectual, educational and

vocational assessment; overall coordinating responsibilities of the Rehabilitation Counseling Department (MMATP) and integration of its services within the drug program; supervision of staff rehabilitation counselors, including case assignments, coordination of treatment plans and evaluation of follow-up services; supervision of rehabilitation interns, including liaison with participating universities, structuring practicum experiences, in-service education and curriculum development; assumed role of coordinator of clinical services in this person's absence; development of programmatic and operational procedures in relation to other components of the program, other hospital services and resources within and outside the community; consultation and liaison with community, state and federal agencies concerning job development and placement services and training resources; admissions screening and evaluation; crisis intervention.

10/70 - 9/71

**Rehabilitation Counselor
The Mount Sinai Hospital and Medical Center
Department of Rehabilitation Medicine
One Gustave L. Levy Place
New York, New York 10029**

Individual and group therapy with patients having emotional and/or physical disabilities; educational and vocational evaluation and counseling; implemented employment and training referral systems and resources; collaboration with medical, nursing, psychiatric and social services in developing individual treatment plans.

A.N.S.W.E.R. Team
(Area Network of Shore Waters Emergency Response)
 Pro Bono Service

A multidisciplinary team comprised of divers, police, emergency medical technicians, fire, and mental health professionals who respond to emergencies that occur in rivers, lakes and the ocean. The Team covers five towns and works collaboratively in certain events with the U.S. Coast Guard. The Crisis Response Unit works directly with the respective Police Department's officers

1/06 - Present

New Jersey State Police
Office of Emergency Management
Emergency Management Section/State Staff Member
R.A.D.A.R. Team (Rapid Assessment, Deployment and Response)
210 South Broad Street
P.O. Box 062
Trenton, New Jersey 08625
(Pro Bono Services)

The Rapid Assessment, Deployment and Response (RADAR) Team provides a coordinated response to the mental health needs of all affected populations in the wake of a disaster or terrorist event. The RADAR Team is comprised of representatives from the major disaster mental health provider groups in New Jersey. RADAR Team is a resource for County Emergency Management Coordinators, Human Service and Mental Health Administrators, and other officials interested in quickly and accurately assessing the immediate mental health impact of a large scale event and accessing the appropriate mental health support services needed for all populations, including civilians and first responders. The Team also provides guidance and support to emergency command structure.

4/07 - Present

Instructor
Rutgers, The State University of New Jersey
The Center for Children and Families
Certificate Program in Trauma Response and Crisis Intervention
Continuing Education and Professional Development Program
Livingston Campus – Building 4161
100 Joyce Kilmer Avenue
Piscataway, New Jersey 08854-8045

The clinical certificate program is designed for mental health professionals who want to enhance their knowledge and skills in the field of trauma response and crisis intervention. Workshops will address a variety of traumatic events such as natural disasters, terrorism, interpersonal violence, and personal/family crisis. Attention is given to ethical con-

siderations, influences of culture and ethnicity, secondary traumatization and self-care for the practitioners.

1/08 - Present

**Certified Law Enforcement Instructor
of the Police Training Commission
Division of Criminal Justice
Monmouth County Police Academy
2000 Kozloski Road
Freehold, New Jersey 07728**

Teach courses on career influences and identification of techniques for dealing with stress. The material addresses how the career in law enforcement affects an officer's family and personal life. It describes various pressures of the job and the consequences resulting from stress and pressures. The psychological and physiological manifestations encountered both during and after exposure to stressful situations are addressed. Techniques and interventions are reviewed so that one can have the ability to react effectively to the many stressful situations.

2/02 - Present

**Trainer/Consultant
Extreme Behavioral Risk Management, LLC
345 Hudson Street
4th Floor
New York, New York 10014**

Extreme Behavioral Risk Management (XBRM) consists of a team of highly experienced and credentialed experts trained in clinical and forensic psychology, behavioral sciences, disaster and emergency management, and homeland security. Members of the team provide large scale crisis response, workplace violence interventions, and consultations to businesses and industries.

New Jersey State Coordinator of the American Psychological Association's
Disaster Response Network
2002 - Present

Executive Board of Psychological Advisors

American Board of Psychological Specialties of the American College
of Forensic Examiners
1999 – Present

Trainer, International Critical Incident Stress Foundation, Inc.

1995 – Present

Emergency Response Mental Health Curriculum and Training Committee

New Jersey Department of Human Services, Division of Mental Health
Services and New Jersey Office of Emergency Management
1993 – Present

American Red Cross Volunteer, Disaster Mental Health Services

Jersey Coast Chapter, New Jersey
1993 – Present
Instructor (2006 –)

Committee on Trauma Response/Disaster Relief

New Jersey Psychological Association
1992 – Present
Chair: 2002 – Present

Committee on Impaired Psychologists

New Jersey Psychological Association
1992 – Present

Professional Advisory Committee

Mental Health Association of Monmouth County, New Jersey
1992 – Present

State Clinical Director

Critical Incident Stress Management (CISM) Network of New Jersey
1989 – Present

Clinical Director

Critical Incident Stress Management (CISM) Team – Genesis Team of
Monmouth and Ocean Counties, New Jersey
1987 – Present

International Advisory Board

American Academy of Health Care Providers in the Addictive Disorders, Massachusetts
1990 – Present

Committee on Addictions

New Jersey Psychological Association
1990 – Present
Chair: 1992 – 2010
Co-Chair 2010 – Present

Past

American Board of Professional Psychology Credentialing Committee,
American Psychological Association Division (50) on Addiction
1998 – 1999

Liaison, New Jersey Psychological Association and
New Jersey Board of Psychological Examiners
1997 – 2007

Psychology Internship Advisory Committee
New York University Medical Center
Rusk Institute of Rehabilitation Medicine, New York
1995 – 1996

Council on Legislative Affairs
New Jersey Psychological Association
1994 – 2001

Task Force on Hospital Practice
New Jersey Psychological Association
1993 – 1996

Board of Trustees
New Jersey Academy of Psychology
Term of Office: 1992 – 1996
Treasurer: 1993 – 1995
President-Elect: 1995 – 1996

Advisory Work Group for White House Task Force on National Health Care
Reform, Mid-State Health Advisory Corporation, Inc., New Jersey
1993 – 1994

Mid-State Health Advisory Corporation, Inc.
